

**R E M A R K S**

This Amendment under 37 C.F.R. § 1.312 is filed in response to the Notice of Allowance mailed September 9, 2010.

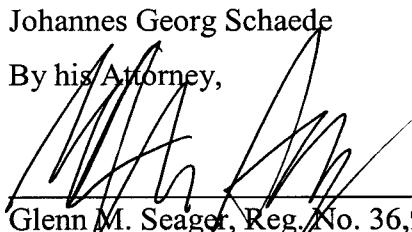

Applicant thanks the Examiner for the courtesy of a telephone interview with his representative, Michael Reinhart, on November 9, 2010 in which minor typographical errors in claim 1 were discussed. The Examiner indicated that the corrections would be considered and entered if submitted in an after-allowance Amendment. Accordingly, the discussed amendments have been made to claim 1, none of which are believed to affect the patentability of the claims or require any substantial amount of additional work on the part of the USPTO.

Entry of this Amendment is respectfully requested. If a telephone conference might be of assistance, the Examiner is encouraged to contact the undersigned attorney at (612) 677-9050.

Respectfully submitted,

Johannes Georg Schaede

By his Attorney,
